# FinWiP

**Finnish Female Physicists is a working group of the Finnish Physical Society (SFS), founded in December 2006. We are the national network of female physicists in Finland, part of the Nordic Network for Women in Physics (NorWiP) and EPS activities. These pages are not updated anymore, information on FinWiP can be found at <https://www.facebook.com/FinWiP/>**

## Kirjallisuutta
