PROGRAM | [WORKSHOPS](#) | [PRACTICALITIES](#) | [PHOTOS AND VIDEOS](#) | [PUBLICATIONS](#)

### Get your feet wet in Open Science!

Discover best practices in research data management, consult an international data service team, gain a hands-on experience in green Open Access, get yourself an ORCID profile, present your own research topic, bring your own data for description and sharing, and get helpful tips.

The Open Science Workshop takes place at the inspiring and flexible Minerva Plaza learning environment.

**The workshop was fully booked!** If you are interested in future open science events, please contact [openaccess-info\[at\]helsinki.fi](mailto:openaccess-info[at]helsinki.fi).
