

Announcements

See the announcements of [regular seminars](#) and of the [Biomathematics Days](#) on separate pages.

- The [First Nordic Biomathematics Days](#), Helsinki, 22-23 October 2019
- The [kick-off meeting of the Year of Mathematical Biology](#): EMS-Finnish Mathematical Society-ESMTB joint Mathematical Weekend, 4th-5th January 2018, Joensuu, Finland
- [Models in Population Dynamics, Ecology, and Evolution](#), Leicester, UK, 9-13 April 2018
- [ECMTB 2018](#), a joint conference of ESMTB and EMS, 23-27 July 2018, Lisbon
- [The Helsinki Summer School on Mathematical Ecology and Evolution 2018](#), 19 - 26 August 2018, Turku
- [Modelling Biological Evolution 2017](#)
4-7 April 2017, Leicester (UK).
- [MPDE 2016](#): Models in Population Dynamics and Ecology
5-9 September 2016, Marseille (France)
- [The Helsinki Summer School on Mathematical Ecology and Evolution 2016: STRUCTURED POPULATIONS](#)
21 - 28 August 2016, Linnasmäki Conference Centre, Turku
- [ECMTB 2016](#): Conference on Mathematical and Theoretical biology
11-15 July 2016, Nottingham (UK)
- [The Mathematics of Life](#) conference to celebrate the 60th birthday of Mats Gyllenberg
7-10 March 2016, Helsinki
- [The Helsinki Summer School on Mathematical Ecology and Evolution 2014: DYNAMICS OF INFECTIOUS DISEASES](#)
17 - 24 August 2014, Linnasmäki Conference Centre, Turku
- [ECMTB 2014](#): The 9th European Conference on Mathematical and Theoretical Biology
June 15 - June 19, 2014, Gothenburg (Sweden)
- Dynamics Day, a full-day seminar on Wednesday 9 October 2013 in Kumpula, connected to the PhD defence of Chun Fang. The program is announced on the [Centre of Excellence webpage](#).
- [MPDE'13](#) - Models in Population Dynamics and Ecology conference
University of Osnabrueck, Germany, 26-29 August 2013
- [Lecture by Simon Levin](#) (Princeton University): Complex Adaptive Systems and the Challenge of Sustainability.
8 October 2012, 4pm, in Exactum, CK112.
- [The Helsinki Summer School on Mathematical Ecology and Evolution 2012: THEORY OF SPECIATION](#)
19 - 26 August 2012, Linnasmäki Conference Centre, Turku
- [Intense course on numerical bifurcation analysis](#) by Prof. Yuri Kuznetsov (University of Utrecht)
March 14-18, 2011, Kumpula campus, registration by email to [eva.kisdi \[funny character\] helsinki.fi](mailto:eva.kisdi@funnycharacter.fi)
- [ECMTB 2011](#): The 8th European Conference on Mathematical and Theoretical Biology
June 28 - July 2, 2011, Krakow (Poland)
- [Nordic mathematical biology](#) ("Pre-NordForsk") meeting: Forming a Nordic research network in mathematical evolutionary biology, 28 - 30 September 2010, Tjärnö (near Gothenburg)
- [The Helsinki Summer School on Mathematical Ecology and Evolution 2010](#)
22 - 29 August 2010, Linnasmäki Conference Centre, Turku
- [FICS](#) Summer School
17 - 19 August 2010
- [CMPD 3](#): Conference on Computational and Mathematical Population Dynamics, May 31 - June 4, 2010, Bordeaux, France. More information: [conference website](#).
- Department Colloquium by [Karl Sigmund](#) (University of Vienna)
26 May 2010
- [The mathematics of Darwin's legacy](#): a two-day conference in Lisbon (Portugal), 23-24 November 2009. More information: [conference website](#).
- [Odo Diekmann](#) (University of Utrecht) gives a lecture on 20 October 2008 (Mon) at 16.15 in lecture room D123: **On delay equations and population dynamics**. The lecture is hosted by FMS and the Centre of Excellence in Analysis and Dynamics.
- [Analysis and numerics of population dynamics and epidemics models](#), 15-17 December 2008, Udine (Italy)
- [Five lectures by Karl Hadeler, 29 September - 2 October 2008](#)
- [The Helsinki Summer School on Mathematical Ecology and Evolution 2008](#)
(24 - 31 August 2008, Linnasmäki Conference Centre, Turku)
- [European Conference on Mathematical and Theoretical Biology 2008](#) (Edinburgh)
