

## CV

Hannakaisa Lindqvist

27 April 2016

---

### 1. Full name and date of birth

- Full name: Hannakaisa Mirjami Lindqvist
- Date of birth: 22 Nov 1984

### 2. Education and degrees awarded

- Ph. D., Meteorology, University of Helsinki, Finland, 24 Jan 2014  
(Thesis title: "*Atmospheric ice and dust: From morphological modeling to light scattering*")
- M. Sc., Astronomy, University of Helsinki, Finland, 12 Jun 2008

### 3. Adjunct professorships

- None

### 4. Present employment

- Research Scientist; Earth Observation, Finnish Meteorological Institute, Finland; 17 Aug 2015 – present

### 5. Previous work experience

- Postdoctoral Researcher, Colorado State University, United States; 9 Jan 2014 – 30 Jun 2015
- Doctoral Student, University of Helsinki, Finland; 1 Jun 2008 – 31 Dec 2013
- Research Assistant, University of Helsinki, Finland; 1 Sep 2007 – 31 May 2008

### 6. Most important visits abroad

- Postdoctoral position in Colorado State University (Fort Collins, Colorado, United States); 9 Jan 2014 – 30 Jun 2015

### 7. Most important scientific and academic administrative positions

- None

### 8. Most important awards, prizes and honours

- Sustainability Leadership Fellow 2014–2015, Colorado State University, United States
- Best Poster Award, Physics Days 2011, Helsinki, Finland; 29–31 March 2011
- Teaching Assistant Award 2009, Department of Physics, University of Helsinki, Finland
- Teaching Assistant Award 2007, Department of Physics, University of Helsinki, Finland

### **9. Most important research funding**

- Academy of Finland Postdoctoral Researcher; 1 Sep 2015 – 31 Aug 2018; 238 368 €

### **10. Research leadership and supervised doctoral dissertations**

- PI in her current postdoctoral research project

### **11. Other academic expert positions**

- Member of the NASA Orbiting Carbon Observatory (OCO-2) Science Implementation Team; Jan 2014 – present
- Referee for the following journals: Applied Optics, Atmospheric Chemistry and Physics, Journal of Quantitative Spectroscopy and Radiative Transfer, and Atti della Accademia Peloritana dei Pericolanti
- Invited presentation at “Optical Characterization of Atmospheric Aerosols”, Smolenice, Slovak Republic; 4–7 Nov 2013

### **12. Scientific and societal impact of research**

- Total number of peer-reviewed journal articles: 17
- Total number of peer-reviewed books or book chapters: 1 (also 1 submitted)
