Introduction to LaTeX
Exercise Sheet 1 (Group 5)

Clifford Gilmore

19th March 2012

For the exercises you are mostly free to fill the content with any text of your choice. If you can't think of anything to write then you can find random text from Lorem Ipsum at `http://www.lipsum.com/`

1. Create a LaTeX document with the following:

   (a) Document settings: article, 11pt, A4 size paper.
   (b) A short piece of text of your choosing.

2. Add two sections to your document each containing:

   (a) Two subsections which in turn each contain two paragraphs.
   (b) The text should contain the following words: l'Hôpital, $100, \newpage, 15% and LaTeX .

   Next add a table of contents.

3. Make a title for your document with the following values:

   (a) Today's date using the \today command.
   (b) Your name as the author.
   (c) Choose the title yourself.

4. Make an enumerated list of your three favourite bands and a nested list of your two favourite songs by each band.

5. Include a verse of peotry in your document using the `quote` environment.

6. Include four lines of computer code in your document using the `verbatim` environment.
